

Camp Impeesa Personal Development Requirements

Camp Impeesa takes the safety and well-being of all campers and participants in the highest priority. We strive to provide the best experience to everyone who joins us at camp. By providing the information below, parents will help our camp staff do their best to comfortably integrate each camper with his or her tent group. Staff are given some information during staff training regarding how to work with a number of different needs campers may have during camp.

Camp staff are made aware of any campers with specific needs that require extra or differential care. It is our goal to keep the routines of campers as close to home as possible and the details provided in this form will be very helpful. Please be as specific as possible regarding the exact nature of any required needs. While Camp Impeesa attempts to provide the best care to meet the needs of all campers, in some cases we may not be equipped to handle or provide for certain campers. This may result in a phone call home to discuss a solution or in rare cases the camper may be sent home. Please fill out the following information for each individual camper.
